

WARRANTY STATEMENT

Every WichiTech Composite Repair System is thoroughly inspected and tested before leaving the factory. It is warranted to be free of defects from workmanship and materials for the period of THREE (3) YEARS from the original date of purchase. Return only the bonder, freight prepaid, to the factory if any trouble develops during this three-year warranty period. WichiTech will repair (or replace, at our option) the system, without charge, where factory inspection shows that the trouble was caused by defective workmanship or materials.

This warranty does not apply where:

- Repairs to the system have been made or attempted by others
- Repairs are required because of normal wear and tear
- The system has been abused, misused or improperly maintained
- Alterations have been made to the system

In no event shall WichiTech be liable for any indirect, incidental or consequential damages from the sale or use of the product. This disclaimer applies both during and after the term of the warranty.

WichiTech disclaims liability for any implied warranties, including implied warranties of "merchantability" and "fitness for a special purpose" after the three-year term of this warranty.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.
